

Thrift Savings Plan Catch-up Contributions

The Thrift Savings Plan (TSP) catch-up contributions are supplemental tax-deferred contributions available to TSP participants age 50 or older (or if you will turn 50 in 2008) who are already contributing the maximum amount of regular TSP contributions for which they are eligible, up to the maximum IRS elective deferral limit of \$15,500 in 2007. Catch-up contributions have their own annual limit of \$5,000 in 2007. Thereafter, increases will be indexed to inflation.

You can start, change, or stop TSP catch-up contributions year round. Any TSP catch-up contributions authorized before December 9, 2007 will stop after the 27th pay period in 2007. To start or continue catch-up contributions in 2008, elections can be made via [Employee Express](https://www.employeeexpress.gov/) (<https://www.employeeexpress.gov/>) any time after December 9, 2007. To ensure that your pay period deductions become effective the first pay period of 2008, elections should be made after December 9, 2007 but before December 21, 2007.
